Danish

Bandet stammer fra Hvidovre, hvor de er vokset op sammen. Der har de været på en længere rejse, i den danske undergrund igennem flere bands for at finde deres egen lyd. Lyden kommer til kende i den EP'en Dead Relatives Pt. 1, som kom ud i Marts 2021 der markere starten på bandets rejse.

Bandet er drevet af mange inspirationer for at nævne nogle få A Perfect Circle, Bring Me The Horizon og Marylin Manson. Musikken gør brug af b.la. tabuer og falder lidt over i de mørke tendenser som gerne vil udfordre lytteren.

Andy Hubert Aagaard på Trommer, Danny Christiansen på Bas / Backup Vokal og Stefan Olsen på Guitar / Lead Vokal udgør denne treenighed.
